

R. William Alexander, M.D., Community Service Award  
Nomination Form

The Berks County Medical Society is pleased to solicit nominations for the R. William Alexander, M.D., Community Service Award. This Award was established to honor a physician member for outstanding community service.

Would you please take a few minutes to complete the nomination form if you believe you know a worthy candidate. The Selection committee has placed special emphasis on volunteer service that has been done in our local community over a period of years. If you submitted the name of a candidate last year, but that individual was not chosen as the Award winner, please resubmit that person's name again this year.

Thank you for your assistance and cooperation in supporting this project. The purpose of this Award is to honor the volunteer efforts of our Society members and to demonstrate to the community that our physician members play a vital role in making our community a better place to live.
